### CANCELLED - August 11- Live Workshop

**Unfortunately, due to a lack of registrants, the "Increase Your Profitability by 100%" workshop scheduled for August 11 has been cancelled.**

We work very hard to identify programs and resources of interest to our members.

Based on what we have seen with this and past workshops, your Board of Directors will shift our focus to sourcing and developing online learning opportunities rather than in-person events.

If you feel that we should offer live workshops and networking events, and you would like to take a lead role in planning them and getting local businesses to attend....

Well, we would love to hear from you! Call the Chamber office at 661-245-1212 or email [board@mymountainchamber.com](mailto:board@mymountainchamber.com) so we can get something going!

No Mobile Minute this week, but don't forget to check out the past ones!

You can access the video in the Members Only section of our website.
