[Friends of Frazier Mountain Park Meeting](#)

The Friends of Frazier Mountain Park will be meeting on March 28th, 6:30 pm at Caveman Cavey's to continue their progress on improving the park.

Topics include:

- Filling rodent burrows in the fields
- Dog gates for an enclosed dog area
- Following up with Kern County on several repair and replacement items, and costs of park maintenance.
- Clean up day

This Chamber of Commerce committee is open to all volunteers who are interested in maintaining and improving Frazier Mountain Park. You do not need to be a chamber member to participate.

Billboard Lighting Update

You may have noticed that the solar lighting on the small billboard along Frazier Mountain Park Road is not always on.

We have been working on this issue and believe it is a combination of low evening temperatures and battery capacity. We are adding more battery capacity in early April and hope that resolves the situation.
